

"The Great Fiasco of the Last War"

Character's Name Catalogue

- Characters' price is calculated by the importance of the character, its screen time, and its amount of dialogue.
- All bids appear on the ebay.com website.

MAIN CHARACTERS:

Sorry, but the 3 main characters are not for sale. This also puts a cross on the main character's sons, who can only be named after their parents' last name. There are, however, two important leading roles which can be sold:

A great, unforgettable role!	Approx. 20 min	Bid starts at 5,000\$
#2	DANNY BARREL	An actor. When he just graduated from his acting class, he was invited by Tamir and Tsafrir to play the dead son in their crazy cabaret show.
